

The Hoven and Gettysburg School Boards would like to thank all community members involved in the recent open forums and school board meetings in both communities.

We are pleased to inform the students, coaches, and community members that the athletic co-op between Hoven and Gettysburg will continue as established. We would like to reassure both communities that our co-op boards, with board members from both schools, are working collaboratively to ensure open communication and a positive environment going forward.

The Gettysburg Motion for the Sport Co-Op at the April 12, 2021 Board Meeting is as follows:

Motion by Rausch, second by Zeigler to continue with the Sports Coop with the following changes:

- The co-op committees will meet quarterly
- Co-op information and concerns will not be shared with just one person, but with multiple people on the committees
- Co-op committees will communicate policy concerns with each other as soon as they arise
- The Gettysburg and Hoven school boards will have combined ASBSD board training
- Both school boards must communicate in good faith

All present voted aye.

The Hoven Motion for the Sports Coop at the Hoven April 12, 2021 Board Meeting is as follows:

Motion by Stuwe, second by Hartung to accept the co-op proposal as reported by Mark Weber on points of change concerning communication and the attendance of combined ASBSD board training.

Again, both Boards are very interested in a successful sports co-op. Communication is very important to both Boards and as they look forward to a very positive future.
